Bring Something ~ Buy Something

We are hoping to make this auction as successful as before and if possible, even more so! So mark your calendar as I am sure you deserve a day off. The purpose of the auction is to bring awareness to the property we are preserving and also to raise funds for this worthy cause. We appreciate all the donations as this is a "Bring Something - Buy Something" auction. You will meet people from numerous parts of the country, including descendents of Nicholas Stoltzfus. All Stoltzfuses are related to Nicholas Stoltzfus.

You will also meet Elam Stoltzfus from Florida with his new book The Great Florida Cattle Drive. Also on display is the wooden chest that was brought over on the ship Polly by the Nicholas Stoltzfus family from Europe in 1766. Also meet Ervin Stutzman from Harrisonburg, VA, author of Tobias of the Amish, Emma, Jacob's Choice, Christian's Hope, and Joseph's Dilemma. The first two books are about his parents, and the last three are about the survivors of the Hochstetler Massacre. We'll see you on May 7th! Moses Smucker - President
